Kornit Storm 1000 *Rseries*

Maximum output at minimum cost

Kornit Storm Hexa *Rseries*

30% more color options, less expense

Kornit Avalanche

Most cost-effective industrial solution

Kornit Avalanche DC PRO

The only digital discharge + white solution in the market

Kornit Avalanche 1000 *Rseries*

Fastest printing process

Industrial printing platform for high volume and quick turnaround

3 step printing process:

Kornit patented Integrated pretreatment

- Eliminates the need for any external pretreatment process!
- Prints on multiple fabric types, variety of garment sizes, color combination and application.

One provider. One solution. Endless possibilities.

Printing System

Solutions for every business – regardless of size and location

Ink & Consumables

Eco-friendly ink set for multiple fabric types based on patented Kornit Neopigment™ inks

Workflow & Software

End-to-End Web-to-Print solution, file preparation, color management, printing and analytics

Accessories

Multi-size pallets, upgrades and more

Global Support

Multilingual services including support plans, upgrades, training, maintenance and more

Applications

Beginner to advanced level training, support, R&D for innovative applications

Positive list of GOTS
